

Other contracts, entrepreneurship, double deegres

The **internship** can be replaced by another contract: fixed-term/permanent contract, service civique, VIE
→ in relation with your university program!

OTHER CONTRACTS (fixed-term, VIE...)

- I log in to TSM Connect and request an internship agreement. This document will not be sent to the company, but will allow me to link my work experience to my profile.
- I indicate the type of contract in the title of the internship (e.g. permanent contract) and fill in all the fields on the form.
- I submit my request for validation.
- Once the contract is signed, I send a copy to stages@tsm-education.fr

The **internship** can be an opportunity to work on your business creation project
→ in relation with your university program!

ENTREPRENEURSHIP

- I request my internship agreement on TSM Connect by indicating :

Internship title: Entrepreneurship
Signatory: student's name
Internship tutor of the company: name of the teacher following the project
- I send to stages@tsm-education.fr:
 - *If my company already exists:* un proof (e.g. SIREN)
 - *If my company does not yet exist:* an e-mail from my academic advisor stating that the project will be validated even if the company has not yet been created at the end of the internship.

It is impossible to start an internship or a contract without having applied for an agreement on TSM Connect!

DOUBLE DEEGREE

- Only one agreement is needed: either signed by TSM or by the partner school.
- *If I choose the TSM agreement:*
→ I follow the classic application process for an internship agreement
 - *If I choose the partner school agreement:*
→ I make a request for an agreement on TSM Connect, indicating the name of the partner school in the internship title (e.g. INSA agreement)).
This agreement will not be sent to the company
- Once the agreement is signed, I send a copy to stages@tsm-education.fr
